RESOLUTION NO. 1415-08

A RESOLUTION of the Board of Directors of Port Angeles School District No. 121, Clallam County, Washington, providing for the submission to the voters of the District at a special election to be held therein on February 10, 2015, of a proposition authorizing a tax levy to be made annually for two years commencing in 2015 for collection in 2016 on all of the taxable property within the District of \$8,637,144, the estimated dollar rate of tax levy required to produce such an amount being \$3.26 per \$1,000 of assessed value (such assessed value representing 100% of true and fair value unless specifically provided otherwise by law), and in 2016 for collection in 2017 of \$8,723,516, the estimated dollar rate of tax levy required to produce such an amount being \$3.26 per \$1,000 of assessed value, all in excess of the maximum tax levy specified by law for school districts without voter approval, for the District's General Fund, the proceeds of such levies to be used to pay general expenses of maintenance and operation, all as more particularly set forth herein; designating the District's Director of Finance and Operations and special counsel to receive notice of the ballot title from the Auditor of Clallam County, Washington; repealing Resolution No. 1415-06; and providing for other matters properly related thereto, all as more particularly set forth herein.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF PORT ANGELES SCHOOL DISTRICT NO. 121, CLALLAM COUNTY, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Port Angeles School District No. 121, Clallam County, Washington (the "District"), takes note of the following facts and hereby makes the following findings and determinations:

(a) Calendar year 2015 is the last year of collection of the District's current four-year General Fund maintenance and operation tax levy, which was authorized pursuant to Resolution No. 1011-01A, adopted by the Board on December 16, 2010, and a special election held and conducted within the District on February 8, 2011.

(b) With the expiration of the District's current four-year General Fund maintenance and operation tax levy, it appears certain that the money which will be available for the General Fund for the school years 2015-2016, 2016-2017 and 2017-2018 will be insufficient to permit the District to meet the educational needs of its students, operate its educational programs and pay general expenses of educational maintenance and operation support thereof, all as more particularly set forth in Section 3 of this resolution, during such school years, and that it is necessary that a replacement excess tax levy of \$8,637,144 be made in 2015 for collection in 2016, and \$8,723,516 be made in 2016 for collection in 2017, for the District's General Fund to provide the money required to meet those expenses.

(c) The District's proposed two-year General Fund maintenance and operation tax levy authorized in this resolution provides for approximately the same purpose as the District's expiring four-year General Fund maintenance and operation tax levy.

(d) The District is authorized pursuant to Article VII, Section 2(a) of the Washington Constitution and Revised Code of Washington ("RCW") 84.52.053 to submit to the District's voters at a special election, for their approval or rejection, the proposition of whether the District shall levy excess property taxes for support of the District's maintenance and operation expenses.

Section 2. Calling of Election. The Auditor of Clallam County, Washington, as *ex officio* Supervisor of Elections (the "Auditor"), is requested to call and conduct a special election in the District in the manner provided by law to be held therein on February 10, 2015, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition of whether a replacement General Fund maintenance and operation tax levy shall be made annually for two years commencing in 2015 for collection in 2016 on all of the taxable property within the District of \$8,637,144, the estimated dollar rate of tax levy required to produce such an amount being \$3.26 per \$1,000 of assessed value (such assessed value representing 100% of true and fair value unless specifically provided otherwise by law), and in 2016 for collection in 2017 of \$8,723,516, the estimated dollar rate of tax levy required to produce such an amount being \$3.26 per \$1,000 of assessed value, all in excess of the maximum tax levy specified by law for school districts without voter approval. The exact tax levy rate may be adjusted based upon the actual assessed value of the taxable property within the District at the time of the levy.

Section 3. Use of Levy Proceeds. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy excess property taxes and use the proceeds of such levies to meet the educational needs of its students, operate its educational programs and pay general expenses of educational maintenance and operation support thereof during the school years 2015-2016, 2016-2017 and 2017-2018, all as may be authorized by law and deemed necessary by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and deemed necessary and advisable by the Board.
