

Transportation FAQ

(Answers provided by Supt. Marty Brewer)

Ball Fields at Monroe

Q: Will there just be fields or will there be concessions and a playground?

A: That has not been determined at this time.

Donahue House

Q: The Donahue house could have salvage value. Contractors (Port Townsend?) might be interested. They could remove the building for free in exchange for salvage rights.

A: There are lots of toxic materials in this building, but we would be open to all offers.
