Other Ideas

Q: I like the idea of placing all kindergarten at the Skills Center.

A: *We currently have 15 sections of kindergarten across the district. The Lincoln Center has only 7 to 8 classrooms, and no lunch room, playground, nor gymnasium. The Lincoln Center is "landlocked" and has no room to add these things.*

General Comments

Q: I would like to see a timeline of dispersal of surplus land and Lincoln Center/CSB transfer.

A: *Recommendations will be presented to the school board on May 23. If these recommendations are approved, a plan will be shared with staff.*

Q: What is the #1 priority based on things in presentation?

A: *Safety of our students and staff is our number one priority. Our number two priority is to begin addressing our facility needs. We must move forward on capital improvements. We have fallen behind, and we can't afford to fall any further behind.*
