

Port Angeles High School
School Improvement Team
Minutes
December 5, 2011
Room 115

Present: Garry Cameron, Rosalynn McKenna, Dana Snell, Elizabeth Helwick, Bernie Brabant, Michelle Ahrens, Brenda Lovik, Jeff Clark and Bev Eisele.

Minutes from October 31 meeting approved.

The **Juan De Fuca Festival** committee has submitted a proposal to bring the band, OKA, to the high school on May 25 for a concert, which is the Friday before Memorial Day weekend. The details of the concert range from a performance in the auditorium to an outdoor performance during lunchtime. SIT members approved the motion to move forward with this proposal. The concern was raised about the message that is presented to the students. Mr. Clark will check into this and update us at the next meeting, January 23, 2012.

Accreditation is scheduled for December 8, 2011. Nine administrators from high schools around the Kitsap and Olympic Peninsula areas will visit the campus including classrooms throughout the day. During the day they will use room 103 and will finish with a staff meeting in the library at 2:45.

Two sets of new lights have been purchased for future dances. Dr. Cameron will facilitate a time for students to preview the new lighting prior to the next school dance.

The **Math End of Course Make-up** exam will be given on Wednesday, January 11, 2012 in the library from 8:00-10:00. Seniors and juniors should check with their counselor to confirm all graduation requirements before January 11.

Dr. Cameron will contact Ms. Becky Hall regarding the formation of a committee to continue the research related to the late arrival proposal submitted by the SIT members.

There was a discussion about student-led conferences vs. arena style conferences. It was suggested that a committee form to develop the possible scenarios for both options. When to surveying staff, parents and students was also discussed.

Next meeting is scheduled for January 23.
