

Happy Homecoming,

This is a very active week on campus. The seniors won the Buff-Puff Volleyball game Monday, and the Tug –O-War, the Juniors won the Flag Football contest last night and we look forward to the announcement of Royalty and the Chariot Races on Friday. The homecoming game is Friday night at Civic Field versus Klahowya, and the homecoming dance is at 8 pm Saturday at the gymnasium.

It is hard to believe we are already through the first triad. Student triad grades are posted on Skyward. Please check your student's progress and contact their teacher if you have any concerns or questions about your student's academic performance.

Our Athletic teams are performing at high levels this fall:

Football is 7-0, Girls Soccer is 3-3 in league, Volleyball is 5-1 in league, Girls Swim and Dive is 6-1, Cross Country Boys are 3-5 and Cross Country Girls are 5-3, Boys Tennis finished with an overall 13-2 record with three players qualifying for districts in the spring; Singles Player Micah Roos and the Doubles Team of Hayden McCartney and AJ Konopaski.

An update on the stadium set up for the October 29 game versus Sequim at Civic Field. This game will be for first place in the Olympic League and we are anticipating a large crowd. We are going to bring in bleachers to seat 500 patrons on the east side of Civic Field for seating of the Sequim crowd and Sequim cheer squad. The entire covered west section will be our home side with the Roughrider cheer squad on the north and south ends of the covered seating.

Garry
Go Riders!
