We have a major fundraiser this Sunday, October 2^{ns} in the Super Wal-Mart parking lot from 10:00-5:00 p.m. The Price Ford sponsored Drive One For Your School event will benefit PAHS Career and Technical Education DECA, FBLA, NJROTC, and Skills USA student activities. For each household that takes a "no pressure" test drive Ford will donate \$20.00 to these PAHS groups.

Also, tonight at 7:00 p.m. is college information night. The college information program will begin in the student center.
