Tanabu High School students arrive at PAHS October 6 and will be on campus Friday, October 7 periods 1-4.

Michelle Ahrens inquired about the progress of the motion to change the school start times. Dr. Cameron will take this motion to the department chairs; if there are no significant objections he will take this to central services to be considered by the committee looking to overhaul the elementary schools. This is a complex issue that involves bussing, sports, middle and elementary schools. More information later.

The CSIP was reviewed. Ms. Perrizo inquired as to what percentage of our students attend Yale, Harvard, etc. College entrance requirements were discussed.

Dr. Cameron clarified questions regarding the Book-It assembly.

Next meeting is scheduled for October 17 at 3:00 in room 115.
