

**Long-Range Facilities Task Force
September 17, 2013**

Strengths of this meeting:

- Good pace and purposeful.
- Discussions were driven by opinions/feelings of teachers and staff.
- Suggestions we based on “feelings” not facts and analysis of problems and suggestions for hard wear applications.
- Felt like we actually are going somewhere.
- Able to focus on a task.
- Group work.
- Very positive energy and focused.

Comments/Suggestions for Improvement:

- None given.
