- **Welcome**
- **“How do young innovators learn that it is okay to take risks and even to fail?”**
- **“The problem is that the highly disruptive nature of innovation creates new challenges to traditional authority...but information is one thing, and values are another. More information doesn’t necessarily create the desire to do something. In fact too much information can cause a kind of paralysis.” How do we construct that for our youth? What does it look like?**
- **Norms – Review of Work and Confirmation**
- **Grade Level Redesign Task Force Report--2004**
 - ✚ **Implications and Inquiry**
- **District Boundary Decision Discussion**
 - ✚ **How can we structure efficient processes**
 - ✚ **Implications and Inquiry**
 - ✚ **What do we know?**
 - ✚ **What do we need to know?**
