

Long-Range Facilities Task Force Charge

This Long Range Facilities Task Force is charged with long-range planning for the school district's facilities, technology services, and educational support functions. They will evaluate economic and demographic projections that reasonably represent the anticipated enrollment capacity needed over the next five, ten and twenty year planning horizons to properly serve the school community. Additionally, they will evaluate the current physical condition and technological value of all school district properties. Based on these evaluations, it will make recommendations to the Board of Directors for long-range planning initiatives and shall promote a commitment to keeping all school district stakeholders involved and informed about the long-term vision for the Port Angeles School District.
