# Long-Range Facilities Task Force

- Welcome -- Dr. Jane Pryne

# Long-Range Facilities Task Force

- Real Life Relevant Connections –  
Thought Provoking Question:

- “How do young innovators learn that it is okay to take risks and even to fail?”

# Long-Range Facilities Task Force

- Real Life Relevant Connections – Thought Provoking Question:

- “The problem is that the highly disruptive nature of innovation creates new challenges to traditional authority...but information is one thing, and values are another. More information doesn’t necessarily create the desire to do something. In fact too much information can cause a kind of paralysis.” How do we construct that for our youth? What does it look like?
