

Enrichment opportunities
that make a difference.

What **YOU** do makes a difference!

Our focus through the Enrichment class is to recognize the *impact* we have as individuals to positively affect communities.

21st century skills— *the 4C's are integrated throughout the year:*

- *Collaboration and Teamwork*
- *Creativity, Innovation, and Imagination*
- *Critical Thinking and Problem-Solving*
- *Communication Strategies*

Goal: **Develop real-world projects addressing genuine community needs that make a difference.**

Objectives:

Students will learn how to:

1. Identify problems and determine solutions through inquiry.
2. Conduct independent investigations.
3. Make personal choices when it comes to choosing a topic to study, an audience to inform, and an authentic product to represent their work.

Resources & Models we will use to guide the exploration & inquiry process:

Bill & Melinda Gates Foundation www.gatesfoundation.org

PBL for 21st Century Success <https://www.bie.org/>

Genius Hour <http://www.geniushour.com/>

20% Time <http://www.20time.org/>

P21:Partnership for 21st Century Learning <http://www.p21.org/our-work/resources/for-educators>
