ANNOUNCING ENROLLMENT OPENINGS

Individual & Family Services

Thanks to additional funding by our state legislature last year, our state has opened its door to enrollment for nearly 4,000 children and adults on DDA's No Paid Services Caseload.

IFS is Open for Enrollment. If your son or daughter is a client of the Developmental Disabilities Administration (DDA) and not receiving a paid service, they may be eligible to receive a broad array of services and supports through the Individual & Family Services (IFS) waiver. IFS has four different funding levels (determined by assessed need): \$1200; \$1800; \$2400; \$3600.

Family Income is Not Considered. After an assessment determines level of need, a financial eligibility determination is made based on the individual's income*, not the family's. In addition to IFS services, clients on the IFS waiver will be eligible for Apple Health/Medicaid health care.

*DDA clients who have resources in their name in excess of \$2,000 may not be eligible for the IFS waiver.

IFS SERVICES INCLUDE:

- ▶ Assistive Technology
- ▶ Behavior Support & Consultation
- ▶ Behavioral Health Stabilization
- ▶ Community Engagement
- ▶ Environmental & Vehicle Modifications
- ▶ Peer Mentoring
- ▶ Person Centered Planning Facilitation
- ▶ PT, OT, Speech, Hearing & Language
- ▶ Sexual Deviancy Evaluation
- ▶ Respite Care
- ▶ Skilled Nursing
- ▶ Specialized Medical Equipment & Supplies
- ▶ Staff/Family Consultation & Training
- ▶ Supportive Parenting Services
- ▶ Therapeutic Equipment & Supplies
- ▶ Transportation (non-Medicaid Broker)

If your son/daughter is on the No Paid Services Caseload and has a need that could be met by the IFS waiver, call DDA and request IFS services.
